GN LIKITH YADAV

AIML ENGINEER

Bangalore | likithyadavgn@gmail.com | https://portfolio-likith-yadavs-projects.vercel.app/

SUMMARY

Aspiring AI and Machine Learning enthusiast with hands-on experience in web development and software engineering. Proficient in Python, C++, and front-end technologies like HTML, CSS, and JavaScript. Passionate about creating innovative solutions and exploring emerging technologies to solve real-world problems.

PROFESSIONAL EXPERIENCE

Web Developer & Software Engineer | Bengaluru, India

Jun 2024 - Present

- Developed and maintained responsive and user-friendly websites using HTML, CSS, JavaScript, and React.
- Designed UI/UX elements and integrated them into web applications to ensure a seamless user experience.
- Collaborated with clients to understand requirements and delivered tailored web solutions on time

Internship, Torix Pvt Ltd

May 2024 - Aug 2024

- Collaborated with the design team to create user-centric digital interfaces for various web and mobile applications.
- Worked closely with developers to ensure seamless integration of design concepts and user-friendly experiences.

PROJECTS

Chatbot for MVJ College Technologies: C, C++, Python

November 2024

Created a chatbot for MVJ College that assists students with information about college events, facilities, and academic schedules.

Utilized NLP algorithms to improve response accuracy and user interaction.

Integrated the bot with college systems for real-time updates, enhancing accessibility for students

SKILLS

- Programming Languages: Python, C, C++, JavaScript
- Web Development: HTML5, CSS3, Node.js
- Design Tools: Figma, Adobe Photoshop, After Effects, Canva Pro
- Frameworks & Technologies: Angular, AngularJS, TensorFlow
- · Other Tools: Blender, Git, SQL

EDUCATION

B. Tech in Artificial Intelligence and Machine Learning

Sep 2019 - Sep 2023

MVJ College of Engineering, Bangalore

Current: 3rd Semester (2024)

Relevant coursework: Data Structures, Algorithms, Web Development, Machine Learning, Artificial Intelligence

ADDITIONAL INFORMATION

- Languages: English, Telugu, Kannada
- Certifications: I am a certified Design Member of Google Developer Student Clubs (GDSC), a
 certification I earned in 2024. I have completed the AI & Machine Learning Fundamentals course from
 Coursera in 2024, and I also earned the Python for Data Science certification from Udemy in 2024.
 Additionally, I hold a certification in HTML5 & CSS3 from FreeCodeCamp, which I completed in 2024. I
 am also certified in Adobe Photoshop & Canva Pro through Skillshare in 2024, and I completed the
 Introduction to TensorFlow for Artificial Intelligence course from Coursera in 2024.
